

# HOW TO FIND US...

We are between two train stations – Mortlake and Barnes Bridge – which come through Clapham Junction from Waterloo and Vauxhall. The nearest tube is Hammersmith, and it's a 10 minute bus ride from there to The Old Power Station. We have a few car parking spaces (see below) and there is free parking in surrounding streets after 11am.

## CENTRAL & EAST

### By tube and bus:

Take the tube to Hammersmith and then bus 209 from the bus station (at shopping centre level from the District & Piccadilly line station – don't go up the escalator – or over the road if you arrive at the Hammersmith & City line station).

## NORTH & WEST

### LOWER RICHMOND RD

#### Parking:

We have 4 reserved spaces at the back of The Old Power Station – please give us a ring to make sure one is available. Alternatively, there is free car parking in the surrounding streets after 11am.
